The trip to Spain was amazing to meet new people.

I really enjoyed having a sister for one week and learn new languages!

I hope to see them again someday.

I miss them all very much!

Saskia van den Bercken/Poland

The trip to Catalonia was very interesting.

It's a beautiful country! I love it very much.

In Vilafranca I met many nice people. I will miss them a lot!

The most interesting and beautiful trip was the trip to Tarragona. It's a great place. The amphitheatre was amazing!

It was nice to make a performance with all the people!

I hope I will meet all the students again. :)

I really enjoyed living in Barcelona, I met lots of people from other countries, made great friendships, friendships for life, and will never forget them. It was an unforgettable week Liked very, very much of "my family" ... I felt another daughter and another sister ... A member of the Rossell family.

Dla mnie wyjazd do Hiszpanii był wyjątkowy.

Poznałam niesamowite osoby, dowiedziałam się więcej o kulturze i zwyczajach.

Milo było wystąpić w teatrze ze wszystkimi niesamowitymi grupami.

Wycieczki do Barcelony i Tarragony bardzo mi się podobały. Dodatkowo poćwiczyłam swój angielski ;).

Wszyscy byli bardzo mili i bardzo za nimi tęsknię. Mam nadzieję, że uda nam się jeszcze kiedyś spotkać.

This trip to Spain was unique for me .

I met amazing people, I learnt more about culture and customs.

It was nice to perform in a theatre with all these incredible groups.

I liked trips to Barcelona and Tarragona and I could practise my English:).

Everybody was very kind and I miss them all very much. I hope to meet them some day.

André Cardoso

Someday i will come back!

Najbardziej podobało mi się zawieranie nowych znajomości i przyjaźni. Porozumiewanie się wyłącznie po Angielsku .

Poznanie tradycji Katalońskich i zwyczajów kulinarnych .

Bardzo podobało mi się granie w piłkę z Katalończykami i młodzieżą z innych narodowości.

Natomiast najciekawsze było to, że mieszkaliśmy w Katalońskich domach u ludzi których praktycznie nie znaliśmy.

Warto było by wprowadzić więcej gier zabaw sportowych gdyż tak jak zauważyłem łączy to ludzi

I liked meeting new people and making new friends most, Talking only in English, learning about Calalan traditions and cuisine.

I liked playing football with the Catalans and international youth. But the most interesting was to live in Catalan houses

with people whom we had practically not known.

I think doing more sports would be great because I had noticed it unites people.

Spodobało mi się wszystko, cała organizacja wyjazdu w szczególności wycieczki oraz budowanie Human Tower!!!!

Fajnie było poznać miejscowe tradycje osobiście. Jedyne minus – krótki czas pobytu, chciałbym zostać na dłużej :-))))

I liked all, the whole organization of the exchange and especially I liked the trips and building of Human Tower.

It was great to learn about local traditions in person. Only one minus – a short stay, I wish I had stayed longer.

Rafael Machado

it was a great way to meet new people and cultures

Mr Calvo

it was great to have a new son

I was sorry to have so little time with the child
