In Thanksgiving we must be surrounded by people we love.
I have to thank all my friends, my boyfriend and my family
because they make my days happier.
You will always have a little space in my little heart.
Thank you all!

João

I am grateful for the family and the friends I have. They make me very happy and encourage me to find what I am looking for! To God I ask for wisdom and that "Grant me the necessary serenity to accept the things I cannot modify; Courage to modify the things I can and Wisdom to distinguish one from the other." To all who helped me and still help achieve my dreams that sometimes speak louder than reason I'm afraid that life will change and that I will not achieve what I want.

Sofia Lourenço

Thanksgivit's something special like you

If you disagree you don't know yourself

This's my opportunity to tell you

How much I love you

Let's get out of here

And play with moon until the sun arrived

If you understand me...
