ANONYMOUS MAY 28, 2020 03:48PM
Lucas Garcia
Use only the necessary water.

DAVID VIEGAS MAY 28, 2020 03:48PM

The importance of recycling

Environmental conservation comes with small daily attitudes that make a difference. One of the most important is recycling.

ANONYMOUS MAY 28, 2020 03:48PM

Carolina Arède

Unplug the charger.
Don't waste energy.

YT DAVIDBARROS MAY 28, 2020 03:48PM

We should always place the used batteries in the collection box as they are harmful to the environment.

JOÃO FILIPE MAY 28, 2020 03:48PM

Use the bottles of Nutella as drinking glasses

ANONYMOUS MAY 28, 2020 03:48PM

Pedro Costa

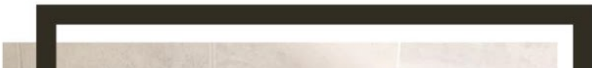

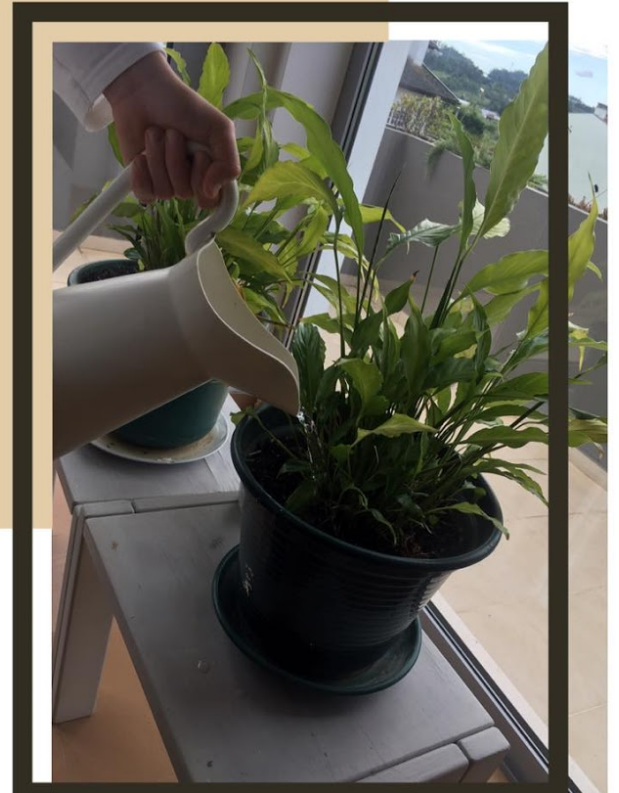

A simple gesture can save a lot of lives. Do what I do and keep the lids.

ANONYMOUS MAY 28, 2020 03:48PM

Catarina Marques

The water I waste while warming up my bath is used to water the plants.

INÉS OLIVEIRA MAY 28, 2020 03:48PM

Recycling

Give a new life to everyday waste.

MATILDE MATEUS MAY 28, 2020 03:48PM

Use phosphate-free soaps and detergents. One of the problems they cause is eutrophication, which compromises water resources and aquatic life.
And, please, install low volume flush toilets!

CRISTIANA JESUS MAY 28, 2020 03:48PM

As I am against waste and in favour of reusing, here at home we have two options: recycled plastic or glass .

ANONYMOUS MAY 28, 2020 03:48PM

João baptista

A small gesture like recycling can save the Earth.

TIAGO MARTINS MAY 28, 2020 03:48PM
